Because I will crush them, and you .. let me be clear. You will be **completely** crushed.

Should you persist in your idiocy, your client will be eliminated (entirely), and K&L Gates will be humiliated .. by an insufferable *pro se*. Your careers will be ruined, and I will ensure that the press is well aware.

I will show no mercy. None whatsoever. So give up now, or face the fury of a hacker scorned.
